## Civil Caseload

The following charts compare various types of civil (non-criminal) caseload filings for the past ten fiscal years.

The juvenile petition cases included here are only those filed with the clerks of court. Juvenile adjudication

activity which does not result in a juvenile filing in a clerk's office is maintained by the Division of Court Services in a separate computerized reporting system. That juvenile data is included in the court services caseload information found elsewhere in this report.

**Chart 11. Civil Caseload Comparisons**
