Criminal Caseload

The charts below compare criminal case filings for the past five fiscal years.

A summary of traffic offenses and fines is presented in Table 17 on page 46. The number of Class 2 and Class 1 misdemeanor filings have shown a slight decline in FY2002.

Felony Cases

Felony filings have shown a significant increase this past fiscal year (Chart 12) along with the number of Felony jury trials, preliminary hearings and guilty pleas. Class I misdemeanor trials have shown a slight decrease this past year (Chart 13).

Chart 12. Felony Caseload Comparisons

Chart 13. Five-Year Jury Trial Comparison

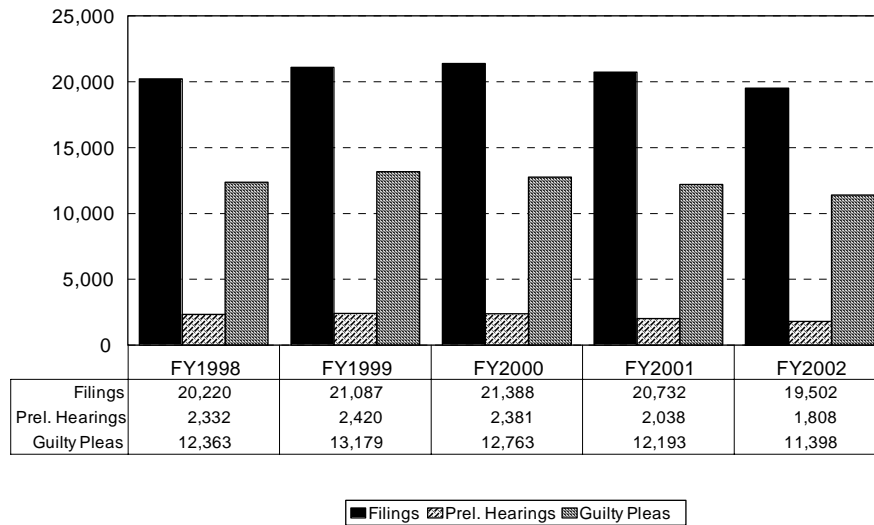

Chart 14. Class I Misdemeanor Caseload Comparison

Class 1 misdemeanor filings have shown a slight decline for the past two fiscal years (Chart 14). Chart 15 compares Total Class 1 misdemeanor filings with Class 1 misdemeanor DUI filings (first and second offenses.)

In 1987 DUI offenses accounted for 67% of Class 1 misdemeanor filings. This year class 1 DUI violations represent 36.5% of the total which has remained relatively consistent over the past several fiscal years.

Chart 15. Comparison - Total Class I Misdemeanor Filings to Class I DUI Filings

* Class 1 DUI Filings only include DUI first and second offense filings. Third and fourth offenses are charged as felonies. In FY2002 there were an additional 1,153 felony DUI filings for a total of 8,272 DUI filings.

DUI Cases

A significant percentage of Class 1 misdemeanors as well as felony cases are violations of ch. 32-33 and are referred to as DUI (driving under the influence) cases. The most common dispositions of DUI's for the past five

fiscal years are illustrated in Table 15. First and second DUI violations (DUI One and DUI Two) are Class 1 misdemeanors. Third and subsequent offenses (DUI Three and DUI Four) are felonies. Selected segments of this data are compared in Charts 16 and 17 on the following page.

Table 15. DUI VIOLATIONS SUMMARY

VIOLATION TYPE	FY1998	FY1999	FY2000	FY2001	FY2002

DUI Two	3	5	5	7	4
DUI Three	1	1	1	1	1
DUI Four	0	0	0	0	1
TOTAL	18	24	18	25	19

Many of the DUI dismissals shown in Table 15 (page 42) result from a defendant's guilty plea to a lesser charge, usually reckless driving, which is also a Class 1 misdemeanor. Such plea bargains occur when a prosecutor believes the state's evidence is inadequate for a DUI conviction and the prosecutor is willing to save the state the expense of a more time-consuming prosecution in return for the defen-

dant's guilty plea to a lesser charge. Conviction for more than one reckless driving violation within a one-year period will result in suspension of the violator's driving license for a minimum of 30 days.

Table 16 (page 44) presents DUI filings and dispositions for the current fiscal year by county and circuit.

Class 2 Misdemeanors

Chart 18 shows that Class 2 misdemeanor filings and guilty pleas have shown slight decreases over the past fiscal year.

Chart 19 shows that Class 2 misdemeanor dismissals have also decreased slightly from FY2001. Of the 14,773 dismissals reported for FY2002, 11,941 or 80.9% were for “financial responsibility” arrests. Financial responsibility arrests are made when a driver is stopped by a law enforcement officer for a traffic violation and the driver cannot produce proof of financial responsibility (usually an auto insurance card). If the defendant can later produce such proof for a clerk-magistrate, the charge is dismissed.

Some other Class 2 misdemeanor dismissals occur when a traffic case is

removed from active court files because a defendant’s driver’s license has been suspended by the Office of Driver Improvement for failure to appear or pay a fine after a period of six months. In order to have a license reinstated, the defendant must have the court issue an order. Then the defendant must pay a substantial cash penalty to the Department of Commerce and Regulation. The defendant also faces the possibility of an additional criminal charge for failing to appear in court on the original violation.

Table 17 (page 46) lists Class 2 misdemeanor and petty offense traffic violations for the fiscal year. The offenses in the detailed list include those with 50 arrests or more. Those with an SDCL Code prefix of 99 are municipal ordinance violations.
