DISBURSEMENTS

Charts on this page illustrate the volume of receipts disbursed by clerks of court.

Disbursements to cities are primarily city fines collected by the court system. The amount remitted to the cities is 65% of the total city fines, forfeitures, and penalties and 100% of city costs. The remaining 35% is remitted to the state general fund.

Disbursements to the state include liquidated costs and the 35% of city fines mentioned above.

Disbursements to counties include state fines -- including funds returned to school districts in accordance with Article VIII, § 3, of the South Dakota Constitution -- costs, and forfeitures, and various fees for civil filings.
