Beadle County Drug Court Graduation Ceremony

Huron, SD – The Beadle County Drug Court will be celebrating its fourth graduation, and first of 2018, with Attorney Ron Volesky to give the keynote address. The ceremony will commence on Wednesday, May 9, 2018 at 1:00 pm, at the Beadle County Courthouse - Third Floor, 450 3rd St SW in Huron, SD.

The Beadle County Drug Court began in July 2015 and is one of ten in the state of South Dakota. Drug Treatment courts are specialized dockets designed to target criminal defendants and offenders who have alcohol or other drug dependency problems. All South Dakota Drug and DUI Treatment Courts are post-plea and designed to help those battling with addiction and their related criminal offense. The Drug Court model recognizes that changing addictive behavior requires constant vigilance, motivation reinforcement and treatment to prevent relapse and promote change. All programs operate with a team of agencies working together for service integration and collective treatment planning within individual communities. The Drug Court holds individuals accountable through requirements such as frequent court hearings, frequent and random drug testing, intensive probation, and extensive treatment services.

The Beadle County Drug Court team cordially invites you to our graduation ceremony to help us celebrate and recognize the accomplishments of this graduate. The ceremony is open to the public, media, and cameras. A reception will be held immediately following the ceremony.
