Hello Commission members,

On behalf of the ICJ Training Committee, I am pleased to announce NEW training resources are available on the Commission's website. After a thorough redesign of the self-paced, On Demand Training Modules, which reflect the February 1, 2016 rule changes, states have the ability to use these resources for ICJ Training purposes.

You can access these training modules by clicking [here](#) and logging into the ICJ website. Featured training modules include:

#1 Introduction to ICJ Rules and Eligibility for Compact Services

#2 Transfer of Supervision

#3 Supervision in the Receiving State

#4 Returning Juveniles

We will also have training modules available for Travel Permits and Legal Significance soon! Thank you.
