WELCOME TO DRUG COURT!

Drug Court will give you tools to change your life and a chance to break the cycle of addiction and crime. The program uses treatment, intensive supervision, and drug testing to help you change. You will have regular contact with the Drug Court Judge, treatment, and probation. You will participate in addiction and mental health treatment, group and individual treatment sessions, regular Drug Court hearings, drug/alcohol testing, and recovery support meetings (AA, NA, etc.). Other activities should be expected because each person's path to recovery is different. Drug Court takes more than one year to complete. Everyone progresses at their own pace. It will seem overwhelming at first, but you will be surprised by what you can accomplish.

Drug Court's goal is **RECOVERY**, not just sobriety. "Recovery" is a process of change through which individuals improve their health and wellness and live manageable, crime-free self-directed lives.

DRUG COURT GIVES YOU A CHANCE TO IMPROVE YOUR:

DRUG COURT SCHEDULE

TEAM STAFFING: 12:45 PM WEDNESDAYS

The Team discusses participants before each Drug Court hearing. Alcohol and drug testing, attendance, participation and cooperation, employment, and other topics are shared. The Team will talk about your progress and any problems you have. Staffings are closed to the public. You do not have a right to attend Staffing. You might be invited to Staffing by the Team to talk about private issues, if needed.

DRUG COURT: 2:00 PM WEDNESDAYS

Beadle County Courthouse

You will come to Drug Court weekly in Phases 1 and 2, every other week in Phases 3 and 4, and monthly in Phase 5. You and other Drug Court participants will appear before the Judge in court to talk about your progress or struggles. You might get incentives (rewards) if you are doing well, and sanctions (consequences) for undesirable choices. A warrant could be issued for your arrest if you do not show up to Drug Court when required. **Ask if you have questions about when you are required to be in Drug Court.** If you are going to miss Court for an emergency, contact your Court Services Officer (CSO) right away.

Drug Court hearings are open to the public. You can invite people to attend. You should expect other people, including supportive community members, to be at Drug Court hearings.

COURTROOM RULES:

- ★ **Be on time!** – If you are not, you may get a sanction.
- ★ **Even though you will find Drug Court to be very different from other court hearings, it is still a court proceeding:**

Be respectful to the Judge, the Team, and your fellow participants.

- Turn off your phone before Drug Court
- Be quiet and pay attention
- No sleeping
- Dress appropriately; no hats, sunglasses, clothes with drug or alcohol logos or gang symbols, or clothes that show your underwear

- ★ **Be supportive** of your fellow participants, encourage them with applause.
- ★ **Speak up** when the Judge is talking to you.
- ★ **Stay seated** in the courtroom during the whole Drug Court hearing, unless the Judge excuses you.

DRUG COURT RULES

★ Follow all directions of the Drug Court Team

★ Follow all laws

Do not commit any crimes. Do not threaten anyone or commit any violent acts.

Contact your CSO right away if you have contact with police

(even if it's just a traffic stop, or it was not your fault).

★ Show up and be on time for ALL appointments

If you need to change any appointment (treatment, office visits, etc.), you must do it at least 24-hours before the appointment starts.

If you are late or miss an appointment, you might get a sanction.

SANCTIONS COULD INCLUDE:

- ✗ Daily planning assignment
- ✗ Increased probation supervision
- ✗ Community service
- ✗ Jail
- ✗ Other, as decided by the Judge with Team input

★ Be honest and try in treatment

Your treatment plan will be made by you and treatment. You will get both addiction and mental health treatment. You will be in both individual and group sessions. The Team will regularly review how you are doing in treatment. **You could be in treatment the entire time you are in Drug Court.** Treatment could include:

- ◆ MAAEZ (Making Alcoholics Anonymous Easier)

★ Do not have or use drugs or alcohol

Drugs (including marijuana and over-the-counter mind-altering substances) and alcohol are not allowed. Do not use or have any drugs, substances that may be inhaled, or alcohol with you, in your home, or in your vehicle. Do not go to places where alcohol is the primary item of sale (bars). Admitting you used drugs or alcohol *before* a test will almost always lessen the sanction you might get.

Honesty is always the best policy.

★ Stay in contact with your CSO

Show up for all probation appointments. **Keep regular phone contact with probation** and make sure your CSO knows how to contact you. You cannot leave Beadle County without permission. If you abscond, a warrant will be issued for your arrest.

Probation and/or police will visit you during the day or night, with or without notice. You might be drug or alcohol tested. You, your vehicle, and your home can be searched. **Do not have any firearms, weapons, alcohol, drugs (including marijuana or any over-the-counter mind-altering substances), drug paraphernalia, or other contraband.** Probation can also search your electronic devices.

IMPORTANT THINGS YOU SHOULD TELL YOUR CSO:

- ◆ Any changes to your phone number
- ◆ Any changes to work or school schedule
- ◆ If you get fired from your job
- ◆ If you have a romantic or sexual relationship
- ◆ **ALL** medications, pills and supplements you are taking
- ◆ If you relapsed
- ◆ If you had contact with Law Enforcement or have been arrested

★ Use and update your daily planner

Write all your appointments, treatment, meetings, office visits, Court, goals and daily activities in your Drug Court planner.

Always carry your planner with you; check it often.

Your CSO will check your planner regularly and the Judge may ask to see it in court.

★ Change your people, places, and things

Probation and the Team may talk with everyone involved in your life. This includes significant others, family, friends, employers, doctors, counselors, etc. You will need to give up people, places and things that are not good for your recovery.

Without having prior approval from the Team, do not hang out with people who:

- ✗ Are on felony probation
- ✗ Are on parole
- ✗ Have charges pending
- ✗ Are breaking the law
- ✗ Are violent
- ✗ Use drugs or alcohol

The Team may restrict your contact with certain people if needed.

If you conceal any relationship, even healthy ones, you will be in violation of Drug Court Rules. You may be asked to complete a Request for Association for new people in your life to help the Team and Judge determine if they will be supportive of your recovery.

★ **Live in a safe and sober place that supports your recovery**

Tell probation where you are living and everyone who lives there.

Don't let someone move in without permission. **Don't move without permission.** The Team might tell you to move if you are not living in a safe and sober place that supports your recovery.

Stay home during your curfew. Don't have visitors during curfew hours without prior Team approval. **Ask if you have any questions about when you are supposed to be at home.** Contact probation right away if you have an emergency. Curfews may be changed to allow for a work schedule.

Curfew hours when you must be home are:

Phase 1	Phase 2	Phase 3	Phase 4	Phase 5
9PM-6AM	10PM-6AM	11PM-6AM	Midnight -6AM	None

★ **Keep yourself and your home environment clean and tidy**

Good personal hygiene is important for health and social reasons. Poor personal hygiene can lead to illness and may cause people to avoid you, which can make you isolated and lonely. If you need any hygiene items, the Team will help you.

You can keep yourself clean by regularly:

- ◆ Washing your hands with soap:
 - before making food and eating
 - after going to the bathroom
 - after blowing your nose, coughing, or sneezing

 - after touching pets or pet items
- ◆ Washing your body with soap
- ◆ Washing your hair with shampoo
- ◆ Wearing clean clothes
- ◆ Doing laundry regularly
- ◆ Using deodorant
- ◆ Brushing your teeth
- ◆ Trimming and cleaning your fingernails

Your home environment can affect your mood and mental health. A clean and tidy home can lower stress, calm your mind, and keep your body safe and healthy. A dirty home environment gives allergens and germs a place to grow and can cause illness. Making your bed is a great way to start your day.

You can keep your home clean and tidy by regularly:

- ◆ Cleaning up messes as they happen
- ◆ Washing dirty dishes with soap, drying them, and putting them away
- ◆ Washing dirty clothes with soap, drying them, and putting them away

UAs test for many substances. UAs also test for creatinine levels and oxidants, which show if you are diluting or contaminating your urine. **A diluted or contaminated sample will be considered a positive test.** If your urine sample requires being sent to the lab for confirmation testing, **you will pay for the costs of testing if it is positive.** At any time in your program, you may also be required to participate in the 24/7 program, including the associated costs.

- ✗ Do not take medicine or use products that contain alcohol, stimulants or opioids
- ✗ Do not eat poppy seeds

★ **Do not drive without a valid license or Work Permit and current vehicle insurance**

Driving is a **privilege**, not a right. Be respectful of laws. If you don't have a valid license when you start Drug Court, getting one will be one of your goals. Until then, there are other transportation options:

- ◆ Walk
- ◆ Ride a bike
- ◆ Get rides from family, friends, or other sober supports
- ◆ Ride the bus: **People's Transit** @ 353-0100
- ◆ Call a Taxi: **K&K Taxi** @ 350-8542

★ **Attend and participate in recovery support group meetings**

Recovery support groups include AA, NA, Celebrate Recovery, SMART Recovery, etc. Attend and participate in meetings as directed by the Judge. You may be asked to provide proof of attendance.

★ **Find a sponsor/mentor to help your recovery program**

You need to find a recovery sponsor or mentor and start working a recovery program as soon as possible, but no later than **Phase 2**. The person you pick as your recovery sponsor/mentor will be responsible for encouraging, guiding, and supporting you on your path to recovery. That person should be **in recovery themselves**, because they will be your role model for learning a new way of life and living sober. They should be **at least two years sober and of the same gender** as you. They should **not be a family member**.

You should look for someone who will help you get to recovery support group meetings, help you develop new relationships with others in the recovery community, and help you build a strong sober social network. Your sponsor/mentor should be willing to listen to your concerns and able to make suggestions on how to find help to solve your problems (housing, employment, transportation, relationships, etc.). **Your sponsor/mentor is welcome to attend court and should be someone that encourages you to follow Drug Court rules, and make the changes needed to live a sober, crime-free life.**

★ **Work or go to school**

As soon as you are assessed as being ready, you will need to find a job. At first, part-time employment may be approved. Eventually, you need to work full-time or go to school while in Drug Court. The Team might give you a deadline to find a job. You might also be told to do daily job contacts, a job skills program, or Community Service until you find a job.

Employment is an important part of the Drug Court program, but your treatment must come first. If your job starts to interfere with your treatment plan, some changes to your work schedule might be needed. **Do not quit your job without permission from probation and the Team first.**

★ **Make and follow a budget**

Part of recovery is eliminating the stress that comes from unmanaged debt or not having enough income to cover your expenses. **You may be assigned a Payee to help you manage your money in the earlier phases of the program.** With help, you will list all your bills and develop a budget. You may be asked to complete classes on managing your finances. **Make sure you pay bills before you spend money on other things.** This includes paying your Child Support! The Team will help you with the resources to get your finances under control, which may include using a payee to help you handle your debts until you are able to do so on your own.

★ **Be involved in positive activities in the community**

Fill your free time with activities where people are not drinking, using drugs, or breaking the law. Do things that help other people. Find wellness activities you enjoy that will improve your health and wellbeing. Explore your spirituality and creativity.

★ **Do a 40-hour volunteer project before Commencement.**

You will start a 40-hour Pay It Forward volunteer project in Phase 3 and complete it before Commencement. Volunteering helps people in need, worthwhile causes, and the community. Volunteering can also help you find new friends, improve your social connections in your community, teach you skills and give you experience that may help advance your career, and bring fun and fulfillment to your life. Volunteering helps your mind and body by reducing stress and depression, keeping your mind stimulated, increasing your self-confidence, and providing a sense of purpose.

Your volunteer project should be served at a charity, non-profit or other type of agency or organization, or the community in general. You need to get permission from the Team for your project. You should pick something you are interested in, because the goal is that you continue to volunteer even after Drug Court. You will work with your CSO and treatment providers to identify a project that is meaningful and achievable for you.

Before qualifying for your Life Plan (application) for commencement, you will be asked to report on your Pay It Forward Project in court.

Things to consider when picking a volunteer project:

- ◆ Do you want to work to benefit adults, children, animals, or nature?
- ◆ Do you want to work alone or as part of a team?
- ◆ Are you better at organizing or doing activities?
- ◆ How much time are you able to commit?
- ◆ What skills can you bring to the volunteer job?
- ◆ What causes are important to you?
- ◆ Your project doesn't have to be unique – look online for help in coming up with an idea.

Where to find volunteer opportunities:

- ◆ Non-profit organizations (Salvation Army, Thrift Stores, Habitat for Humanity, etc.)
- ◆ The Humane Society
- ◆ Youth organizations or after-school programs
- ◆ The Chamber & Visitor's Bureau
- ◆ The South Dakota State Fairgrounds
- ◆ Community theaters or museums
- ◆ Libraries
- ◆ Senior centers
- ◆ Places of worship
- ◆ Online databases (211 Helpline Center's Volunteer Connections, etc.)

★ Pay your Drug Court costs

You do not pay a fee to be in Drug Court. You do have to pay on your court costs, fines, attorney fees, and any other money ordered at Sentencing. As soon as you are able, you will make monthly payments to the Clerk of Courts. As you progress through Drug Court, the Judge may suspend some of the fines you've been ordered to pay as an incentive for positive behavior.

If you are sentenced to Drug Court, you will not have to pay for any of your treatment while you are in the program, including your initial assessments. Treatment costs are paid by the State of South Dakota.

★ Do not gamble

Gambling is just as addictive as drugs and alcohol. **DO NOT go into casinos or gaming/gambling businesses.** Do not play games of chance, lottery, or any kind of betting for money or prize.

PROGRAM PHASES

Drug Court has 5 phases and will take at least 14 months to complete. Each phase helps you prepare to live in recovery, independently. **Everyone progresses at their own pace.**

APPLICATION FOR PHASE MOVEMENT

You must complete a written Application to move to the next phase. The Judge, with input from the Team, will determine when you are ready for the application. Your application is an important part of your program. Answer questions completely and as detailed as possible. The time and attention you give your application will show your commitment to your sobriety and the program and help the Team decide on your readiness to move phases. You may be asked to update or redo your application if the Team feels it is not complete.

Your application must be turned in to Court Services before **TUESDAY AT 8 AM** so it can be reviewed by the Team on Wednesday. The Drug Court Judge will make the final decision about your phase advancement.

In all Phases of Drug Court, you are expected to:

- Follow program rules
- Comply with treatment recommendations
- Do random drug/alcohol tests as directed
- Show up for all probation appointments
- Show up, be honest, and try in treatment
- Attend 2 recovery support meetings (AA/NA/SMART Recovery/etc.) each week
- Change your people, places, and things
- Identify and use positive, sober supporters
- Use and update your daily planner
- Live in a safe and sober place that supports your recovery
- Keep busy, eventually by working full-time, attending school, or a combination of the two
- Be responsible about money, which will include making and following a budget

Each phase of Drug Court will ask you to complete activities that will support your recovery efforts. While *some* are required for *everyone*, some may be special to *your* experience.

Examples of activities include:

- Obtain documents such as a birth certificate and social security card
- Complete a search for any debts owed
- Address health needs
- Complete a financial management class
- Get involved in a community activity
- Develop personal wellness goals
- Explore hobbies or creative outlets
- Attend parenting classes
- Complete job skills classes

Some tasks may seem beyond your reach. When you start, you will do simple, easy tasks. As you progress in your recovery, you will try new things to help you discover life as a sober person.

Drug Court is going to help you learn how to live without the stress and chaos of addiction.

COMMENCEMENT

Once you have fulfilled the requirements of Phase 5, you may apply for Commencement. You must complete a [Life Plan](#) before commencement. Your plan is an important part of your program and will help the Team decide on your readiness to move on. You might be asked to update or redo your plan if the Team feels it is not complete. You might also have to meet with the Team to answer questions about your plan.

Your Life Plan and proof of completion of your 40-hour Pay It Forward Project must be turned in to Court Services at least one month before the next set Commencement date so it can be reviewed by the Team. The Judge will make the final decision about your Commencement.

The Commencement Ceremony is a very important event. Your family members and supporters will be invited. After Commencement, you will have the opportunity to continue your treatment for ninety days to help you transition to a life in recovery without the Court's supervision.

DISCHARGE FROM PROBATION

You will be eligible for discharge from probation when you have completed your treatment program, you have maintained continued sobriety, and you have met the following requirements:

- At least 90 days of continuous sobriety
- At least 30 days with no sanctions
- Compliance with your treatment plan
- Drug Court Judge approval
- Sentencing Judge approval
- Written [Exit Interview](#)

EXIT INTERVIEW

Your interview also gives you a chance to give suggestions on how to improve the program. **The information in your interview has no effect on whether you are approved for discharge from probation and Drug Court.**

ALUMNI

After Commencement, you are invited to join the alumni group. The group is separate from the Drug Court program. Members of the group are graduates of the Beadle County Drug Court who volunteer their time, along with supporters from the community. They support the Drug Court program and participants. They may attend Court or plan activities for people living a sober lifestyle. Those activities may be ways to give back to the community or just to have fun. They educate the public on the Drug Court. They lead by example of sobriety, community service, and attendance at peer recovery support groups (AA/NA/Celebrate Recovery/SMART Recovery, etc.), as well as social events.

You will be asked to attend Alumni Group meetings in the last phases of Drug Court, as available.

TERMINATION

You may be terminated if you are not following the rules of Drug Court.

Reasons for termination could include (but are not limited to):

- × Not participating in treatment
- × Not participating in the Drug Court program
- × Breaking Drug Court rules
- × Absconding from the program
- × Concern for public safety
- × Threat to the integrity of the program
- × There are no more treatment options to help you
- × Committing a crime
- × Distributing drugs or driving under the influence
- × Threatening, abusive, or violent behavior
- × Tampering with drug/alcohol testing
- × Inability to pass drug/alcohol tests
- × Failure to make progress
- × Any other reasons the Team finds termination is necessary

When you admit a violation in Drug Court, or when a violation is proven to the Court's reasonable satisfaction, that violation may be used against you in a future termination hearing.

If termination is started, you will get written notice of the allegations against you. You can meet with an attorney to discuss your options. If you deny the allegations you will have an Evidentiary Hearing, where you can call witnesses to testify on your behalf and you can cross-examine any witnesses that testify against you. You will have a chance to talk directly to the Drug Court Judge and Team during a Termination Hearing. The Drug Court Judge will make the final decision about termination.

Drug Court is a voluntary program. **You can ask to remove yourself from the program at any time.** If you think that's what you want, you will have a meeting with an attorney to make sure you understand what that will mean. You must also wait one week from the time you request removal until the Judge issues the Order. If you do not successfully complete the program, your probation will be revoked. **If you abscond from probation while in Drug Court, a motion to terminate you from the program may be made and a warrant issued for your arrest.**

If you are terminated from Drug Court **or** voluntarily remove yourself, you will be returned to your original Sentencing Judge for a Probation Violation. **The Sentencing Judge will make the final decision about revoking your probation revocation and any sentence, limited only by the maximum penalty allowed by law.**
