SUBSTANCE ABUSE TREATMENT INFORMATION**

I, _____, having agreed to enroll and participate in the Treatment Court Program, hereby acknowledge that treatment information normally is confidential under federal law. I understand that any disclosure made is bound by Part 2 of Title 42 of the Code of Federal Regulations, which governs the confidentiality of substance abuse patient (or client) records, and Part 164 of Title 45 of the CFR, which governs the confidentiality of mental and physical health records generally. I also understand that it is unlawful to violate these confidentiality requirements, but that both requirements permit me to voluntarily consent to permit disclosure of my health and substance abuse treatment information.

Therefore, I, _____, consent to allow the release of employment, medical, psychiatric, treatment, educational, mental health, or other documents and records that are deemed necessary for Drug Court purposes concerning Case No(s). _____. I also consent to the disclosure of on-going communications about my diagnosis, prognosis, and compliance status, which includes, but is not limited to, the following:

- Assessment results pertaining to Treatment Court eligibility, treatment needs, and supervision needs;
- Attendance at scheduled appointments;
- Attendance at support group meetings;
- Drug and alcohol test results, including efforts to defraud or invalidate drug or alcohol tests;
- Attainment of treatment plan goals, such as completion of a required counseling regimen;
- Evidence of symptom resolution, such as reductions in drug cravings or withdrawal symptoms;
- Evidence of treatment-related attitudinal improvements, such as increased insight or motivation for change;
- Attainment of Treatment Court phase requirements, such as obtaining and maintaining employment or enrolling in an educational program;
- Compliance with electronic monitoring, home curfews, travel limitations, and geographic or association restrictions;
- Adherence to legally prescribed and authorized medically assisted treatments;
- Procurement of unauthorized prescriptions for addictive or intoxicating medications;
- Commission of or arrests for new offenses; and
- Menacing, threatening, or disruptive behavior with staff members, fellow Participants or other persons.

These communications may be disclosed among the following parties or agencies involved in the Treatment Court Program: the Treatment Court judge, the Treatment Court team members, the

employees engaged in the Treatment Court operations and administration, court services officers in the Treatment Court Program, treatment providers utilized by me during the Treatment Court Program, the Treatment Court defense attorney, and/or other referring or treating agencies involved in the direct delivery of services through the Treatment Court Program.

I understand that the purpose of and the need for this disclosure is to: inform the court and the other above-specified agencies of my eligibility and/or acceptability for substance abuse treatment services; to report on and adequately monitor my treatment, attendance, prognosis, and compliance with the terms and conditions of the program; to discuss and assess my status as a Participant in the Treatment Court Program; and, to assess and comment on my progress in accordance with the Treatment Court's reporting and monitoring criteria.

I agree to permit the disclosure of this confidential information only as necessary for, and pertinent to, hearings, and/or reports concerning the status of my participation and compliance with the conditions of my probation as defined by the Treatment Court. I understand that information about my medical status, mental health and/or drug treatment status, my arrest history, my levels of compliance or non-compliance with the conditions of my Treatment Court participation (including the results of urinalysis or other drug screening tools,) and other material information will be discussed and shared among members of the Treatment Court Team.

I further understand that as an essential component of the Treatment Court Program summary information about my compliance or non-compliance will be discussed in an **open and public courtroom**, including but not limited to, whether I have attended all meetings, treatment sessions, the results of urinalysis or other drug testing as required, and the disclosure of my compliance or noncompliance with the terms and conditions of the Program as defined by the Court. It is entirely possible that third parties will attend these court sessions and will hear these discussions. This process will require the redisclosure of confidential treatment information to individuals who have not been individually and specifically authorized to receive such information. Therefore, **I hereby specifically consent to any potential redisclosure to third persons who may be in attendance at any of my Treatment Court sessions.**

I further understand that if I re-disclose confidential information of any other Participant to another party, I expose myself to legal liability for unauthorized disclosure of confidential information.
