SUPERVISORY FUNCTIONS

This position does not supervise staff.

ESSENTIAL FUNCTIONS REQUIRE

General physical functions of sitting, standing, lifting, and driving; attendance in accordance with rules and policies; travel to attend meetings, trainings, and conferences; use of office equipment such as computers, telephones, etc. The incumbent must understand and interpret complex

Created/Last Rev.: March 2012/January 2013

EEO: 2

COURT IMPROVEMENT PROGRAM COORDINATOR

grant guidelines and integrate them into a strategic plan and annual report; analyze data from various sources and use the results to improve program effectiveness; fairly evaluate applications for, and award, grant funds; organize meetings, trainings, and conferences; understand and apply record search procedures; and understand and apply community-based voucher processes.

PROBLEMS AND CHALLENGES

Challenges include remaining current on grant mandates, program instructions, and required timelines for reports. This is challenging because of the diversity of the grant, the broad scope of activities and stakeholders involved, and the potential for loss of funding for failing to comply with guidelines. Further challenged to understand how computer systems are developed and programmed to ensure that system processes and tools accommodate the business reporting requirements of case management.

Problems encountered include setting committee meetings to meet the majority of the members' schedules; securing quality presenters for conferences and trainings; identifying and resolving issues between search firms and clerks of court; and quickly changing thought processes from CIP grant duties to case management computer system duties to record search duties.

DECISION-MAKING AUTHORITY

Decisions include whether CASA grant applications meet requirements and whether to accept or reject them; daily working decisions on the CIP grant program; resolving record search issues such as assigning search firms to search centers, changing a search firm's search center, etc.; advising firms to streamline search processes; instructing clerks of court in solving ongoing search problems; determining whether converted case data information is accurate, if converted case data information is not converted correctly, what should the converted case data information look like, and reporting errors and noting priority levels for correction.

Decisions referred include CIP program policy; other policy and legal issues; final approval to move search firms; system programming; and complex issues related to record searches and community-based billing processes.

CONTACT WITH OTHERS and PURPOSE

Regular contact with federal program specialist, Circuit Judges and staff, Tribal Court Judges and staff, state department secretaries, state program directors and staff, national CASA program staff, local CASA program directors and staff, State's Attorneys and staff, and community members and stakeholders regarding the CIP grants, goals, and reports; with clerks of court, deputy clerks of court, and circuit court administrators regarding search issues; and with the IT director and staff regarding case management system development and testing.

WORKING CONDITIONS

The incumbent works in a typical office environment; in-state and out-of-state travel is required to attend meetings, trainings, and conferences.
