

22589/22599

Statement of the Issues

Issue I: Whether Williams' claim is barred by the applicable statute of limitations.

The trial court held in the affirmative.

Issues on Notice of Review

Issue I: Whether Williams presented any material facts that would support a claim for legal malpractice.

Having found that Williams' claim is barred by the applicable statute of limitations, the trial court did not reach this issue.

Issue II: Whether there is anything in the record to support evidence of damages as a result of any acts or omission on the part of Maulis.

Having found that Williams' claim is barred by the applicable statute of limitations, the trial court did not reach this issue.
