STEERING COMMITTEE MAPPING

South Dakota RISE25

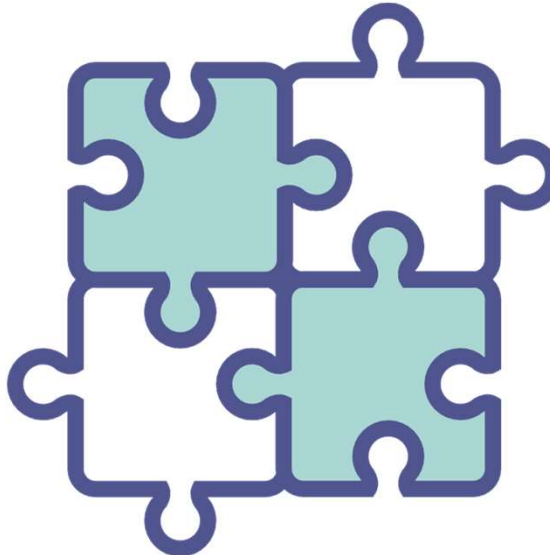

Clarify Roles

- What is being accomplished?
- What decisions are being made?
- What outcomes should guide the work?
- How can this committee impact long term sustainability & collaboration?

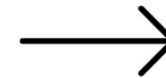

Determine Partnerships

- Who should be at the table?
- What agencies need to be represented?
- How do we increase buy-in and support?
- When do we begin outreach and recruitment?

Establish Logistics

- How often does the committee meet?
- Who will convene and facilitate meetings?
- What agenda items should be discussed and included regularly?
- What are our established next steps, timeline and goals?
