TRUTHFUL AND CANDID DISCLOSURE

Your application, including the National Conference of Bar Examiners' Character Report Application, is a sworn statement filed with the South Dakota Board of Bar Examiners, and the South Dakota Supreme Court. In completing your application, absolute and complete candor and truth is required. The failure to be completely candid and truthful may result in the denial of admission to practice law. The failure to disclose an act or event can be more significant, and may lead to more serious consequences, than the act or event itself. The failure to provide truthful answers, or the failure to inform the Board of any changes to your answers, may result in the denial of admission to practice law. If there is concern as to whether your situation falls within the scope of a particular question, assume that it does.

Once you submit this application, and the NCBE application, you are under a continuing obligation to inform the Board, in writing, of any changes to your answers. This obligation will continue until you are admitted to practice law in South Dakota, or until you withdraw your application, or until the South Dakota Supreme Court denies your application.

AUTHORIZATION TO RELEASE PASS/FAIL RESULTS

By submitting this application to sit for the South Dakota bar examination you are authorizing the Board of Bar Examiners to release your name and your pass/fail results to your law school for statistical purposes only, provided that your law school agrees not to disclose the names of its graduates who passed or failed the bar examination to any person or organization outside of the law school.

TO WHOM IT MAY CONCERN:

FROM: SD Division of Criminal Investigation (DCI)

SUBJECT: Procedures for Record Checks in Compliance with HB 1054/SDCL 16-16-2.6

South Dakota Requirements for Background Checks:

1. The Board must obtain state applicant fingerprint cards from the DCI. All necessary supplies are available through the DCI Identification Section.
2. This fingerprint card must be completed to **include the applicant's name, date of birth, gender and social security number** as the minimum requirements for demographic information.
3. The authorization and release form **printed on the back of the card must be completely filled out and signed**. Be sure to include the correct address of the South Dakota Board of Bar Examiners, where the search results response should be sent.
4. The fingerprint card must also include a fully rolled set of fingerprints per SDCL 23-5-12, which requires "fingerprint identification."
5. The individual must take the fingerprint card to his/her local law enforcement agency (Police Department or Sheriff's Office) to be printed. There may be an additional charge by these agencies to cover the cost of fingerprinting.
6. The DCI requires a \$24 fee for each request to cover the cost of processing the background check. (The FBI charges a separate fee for the federal search.) The two fees should be combined into one payment of \$43.25 to the DCI in the form of a **certified check or money order**.
7. Upon receipt of all necessary information, fingerprints and fee, DCI will conduct a state search and supply a copy of any criminal history that is found or a letter stating that there is no criminal history. These results do not include federal charges, juvenile offenses, sealed records, minor traffic violations or out of state information. Fingerprint cards will be destroyed and will not be returned with the responses.

Federal Bureau of Investigation (FBI) Background Checks:

1. A special FBI applicant fingerprint card (provided by the Board) must be obtained. This fingerprint card will have the **preprinted ORI** of South Dakota, which has been assigned by the FBI and will be found in the contributor block on the card. The reason for fingerprinting which indicates that the search is for a South Dakota Board of Bar Examiners applicant per SDCL 16-16-2.6 will be pre-stamped on the card as well.
2. This fingerprint card must be taken to the individual's local law enforcement agency to be printed. The FBI requires fingerprint-based searches for all applicants.
3. All necessary information including name, date of birth, gender and social security number must be provided on the fingerprint card as minimum requirements. Incomplete requests will be returned without processing.
4. The FBI charges a fee for this search. Payment and submission of information must be channeled through the South Dakota DCI as the central repository and single source to the FBI. Total payment of \$43.25 to cover the costs of both the state and federal background checks should be included with each request. All will be returned if incorrect payment is sent with the card(s).
5. Upon receipt of all necessary information, fingerprints and the required fee, the DCI will forward the request to the FBI. If no record is found based on the fingerprint search, a response sheet will be returned. If the search reveals a match with an arrest record in the FBI files, a computer record print-out will be returned. Fingerprint cards will be destroyed. If the FBI rejects due to the fingerprint image quality, the card and rejection notice will be returned to the Board for re-submittal. In order for you to not be re-charged for the second attempt, the original card and paper work must be returned to DCI along with the new fingerprint card.
6. 28 C.F.R. § 16.34 provides a process for challenging information in your federal criminal history record. For further information, to go www.FBI.gov.

NOTE: Both the DCI and FBI fingerprint cards enclosed have a preprinted ORI of South Dakota specific number and must be used. *If other ORI specific fingerprint cards are used they will be rejected. Return completed fingerprint cards and fees along with your application for distribution.*

I have submitted an application to take the February/July South Dakota Bar Exam and wish to complete the MPT, MEE and Indian Law portion of the exam on a laptop computer.

I have included a separate certified check or money order made payable to the Board of Bar Examiners in the amount of \$100 to cover the additional costs associated with the laptop computer registration.

I understand that I will only be entitled to a refund in the event that ExamSoft verifies, my computer cannot be qualified. I will not be entitled to a refund if I fail to attend the bar exam, withdraw from the exam, or am disqualified by the Board for any reason. I understand, I will not be entitled to a refund in the event of a hardware or software malfunction, or a site power failure on the day of the bar examination.

I understand that the fee is for the current administration of the bar exam only and cannot be transferred to the next bar examination.

I submit this registration form with the understanding that the use of electronic technology in completing my essay answers carries with it some risks, such as power failure, computer failure, etc. I recognize those risks and understand that in the event of such developments, I will be obligated to hand write my answers to the questions.
