Law enforcement officers and clerk magistrates are reminded that a defendant is required to appear before a magistrate judge if the defendant is charged with a violation of a Class 2 misdemeanor that is not included on this schedule. Also, all Class 2 misdemeanor state traffic offenses (SDCL title 32) not included on this schedule for which citations are issued must be supported by an SDCL code that clearly states the violation is a Class 2 misdemeanor.

Law enforcement officers are advised that, according to SDCL 32-12-52.3 and 32-12-52.4, when any of the following violations are charged and the defendant was in a motor vehicle (whether driving or as a passenger) at the time of the alleged offense, the officer must note on the citation that the offense occurred while the accused was in a motor vehicle, and specify whether the accused was a driver or a passenger. The offenses involved include SDCL 35-9-2 (underage purchase, possession, consumption of alcoholic beverages); SDCL 22-42-5 through -11; and 22-42A-3 or 22-42A-4, which include a variety of drug charges.

Fines and appearances required for violation of municipal/county ordinances shall be the same as those required for violation of similar state statutes. For other traffic offenses not covered by ordinance, the fines are the same as the state schedule.

Any officer has the authority to require a violator to appear before a magistrate judge.

This order of schedules becomes effective July 1, 2022, and shall continue in effect until further Order of the Court.

Dated at \_\_\_\_\_, South Dakota, this \_\_\_\_\_ day of \_\_\_\_\_, 2022.

Presiding Circuit Judge

## GUIDELINES FOR TRUCK OVERWEIGHT OFFENSES

***Note: A magistrate court with a clerk magistrate presiding has concurrent jurisdiction to accept an overweight truck civil penalty imposed pursuant to SDCL 32-22-55 only if the civil penalty is paid in full as part of a guilty plea. If the driver cannot pay the penalty in full as part of the guilty plea, the clerk must contact the magistrate or circuit court judge to set the bond.***

The overweight violation cited under § 32-22-52 is a Class 2 misdemeanor, the penalty for which is a \$104 fine, 30 days in jail, or both.

An additional cash penalty, *not subject to suspension*, shall be assessed on the total overweight at one of the rates set forth below (§ 32-22-55):

- 1) For one thousand to three thousand pounds total overweight, the additional penalty is five cents per pound on all overweight exceeding one thousand pounds.
- 2) From three thousand-one pounds, up to and including four thousand pounds total overweight, the additional penalty is fifteen cents per pound on the total overweight.
- 3) From four thousand-one pounds, up to and including five thousand pounds total overweight, the additional penalty is twenty-two and one-half cents per pound on the total overweight.
