Order Suspending Stipulation Requirement for Use of Interactive

IT IS HEREBY ORDERED THAT the provision requiring the stipulation of all parties prior to the use of an interactive audiovisual device to conduct felony plea hearings, felony sentencings, and probation revocation hearings as set forth in SDCL § 15-5A-9 is hereby suspended effective immediately for all counties statewide until rescinded by further order of the Court. However, as further provided in SDCL 15-5A-9, the judge presiding over the matter always retains the discretion not to allow an appearance by interactive audiovisual device if the judge believes that to do so would prejudice the rights of any party to the proceeding.

IT IS FURTHER ORDERED THAT any court using interactive audiovisual devices for felony plea hearings, felony sentencings, or in probation revocation hearings shall ensure that that defendant's constitutional rights are provided for in such proceedings. An official record of all proceedings must be maintained.

IT IS FURTHER ORDERED THAT a defendant appearing by interactive audiovisual device consistent with this Order shall be considered present for the purposes of SDCL 23A-39-1 and appearing in open court pursuant to SDCL 23A-7-1 and 23A-7-2.
