## *FORWARD & ACKNOWLEDGEMENT*

*This compilation contains, as best we can determine, the names of all persons who have served as clerks of court since statehood. (Prior to 1975, all clerks were elected county officials. Since then, by virtue of constitutional court reorganization, they are state employees of the Unified Judicial system, appointed by the circuit’s presiding judge.) In making this compilation, we have utilized the Legislative Manual for the years 1905 to present. For prior years, we obtained the cooperation of the clerks of courts who made a review of their records. We sincerely appreciate their cooperation and assistance.*

In May 2008, Rebecca Lamprecht, a University of South Dakota criminal justice major interning with the 2<sup>nd</sup> Judicial Circuit in Sioux Falls, updated the information with as much information as she could find at the time. Please forward any missing names or incomplete information to the Unified Judicial System I/T Helpdesk at [UJS.Helpdesk@ujs.state.sd.us](mailto:UJS.Helpdesk@ujs.state.sd.us).
